PROPERTY DESCRIPTION

Lakefront living is the best! And that is exactly what you will get when you live here. The quality control owner of this house wanted perfection and he certainly created it here. The custom kitchen has tons of cabinetry, a pantry and has been wired to have outlets for every gadget you could possibly want to plug in.

The 3/4 lake front lot is peaceful and beautiful. Enjoy the view from inside or outside. The deck offers a hotub, or if you prefer, relax by the gazebo flanked by flowers and shrubs, both sporting views of the lake.

The motor home garage has been especially designed and definitely "over built". If there is something you think you might like in a property--this one has it!
